- ☐ An RCS prepared in accordance with Chapter 9 of the Section 8 Renewal Guide (if applicable);
- ☐ Owner's RCS Certification (sample attached);
- ☐ Tenant notification of rent increase (sample attached);
- ☐ Full Utility Allowance Analysis, if applicable (guidance attached);

- ☐ A signed Owner's Certification of Compliance with Tenant Comment Procedures executed after the 30-day comment period (sample attached).

NOTE: This list of documents is not exhaustive. Please be advised that other documents may be required for the renewal option selected. Additionally, with the exception of HUD-required (e.g. Attachment 3A-2), the sample attachments serve as acceptable templates. You are *not* required to use these documents.

Per the section 8 renewal guide, should a notice need to be issued for both a rent increase and a utility allowance decrease, a single notice is sufficient if the owner clearly identifies both items in the notice.

This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is collected in accordance with Title II of the National Housing Act which requires that HUD regulate rents for certain cooperative and subsidized rental projects. The Department formulated the processes by which owners could request increases. The requirement for tenant participation in the rent increase process, which is included in Section 202(b) of the HCD Amendments of 1978, necessitated that the Department design procedures to give consideration to tenant comments. Projects Preparing A Budget-Based Rent Increase

Guidance for preparing a budget-based rent increase may be found in Chapter 7 of HUD Handbook 4350.1, REV-1. Projects that have not previously prepared or submitted a budget based increase should carefully follow these instructions. The basic components to be included are listed in Chapter 7, paragraph 7-22.

Allowance for Owner Distribution For Profit Motivated Projects that Have Not Previously Submitted a Budget Based Rent Increase.

Projects falling under this category may factor in an allowance for owner return/distribution as follows:

- For **Section 515/8** projects (regardless of whether they are for the elderly or families), 8% of the initial Owner equity.
- For all other projects:
 - ⇒ **Elderly**, 6% of the initial owner equity.
 - ⇒ **Families**, 10% of the initial owner equity.

To determine initial owner equity, the owner(s) should refer to the Maximum Insurable Mortgage Form (FHA 2580/HUD 92580). If the project was not insured or the HUD 92580 is not available, the Owner(s) must certify as to the amount of the initial equity and provide supporting documentation.

For Section 515/8 projects:

$$\frac{\text{Initial Owner Equity}}{\text{Return/Distribution}} \times .08 = \frac{\text{Allowance for Owner}}{\text{Return/Distribution}}$$

For Elderly Projects:

$$\frac{\text{Initial Owner Equity}}{\text{Return/Distribution}} \times .06 = \frac{\text{Allowance for Owner}}{\text{Return/Distribution}}$$

For Family Projects:

$$\frac{\text{Initial Owner Equity}}{\text{Return/Distribution}} \times .10 = \frac{\text{Allowance for Owner}}{\text{Return/Distribution}}$$

I hereby certify that this accurately reflects the initial Owner equity in the project as of the date the project initially entered into a Section 8 contract.

The allowance for Owner Return/Distribution should be factored into the Rent Computation Worksheet (Appendix 5, Chapter 7 of the 4350.1) in Box C, "Return/Net Income Reserve."

GUIDANCE FOR DETERMINING UTILITY ALLOWANCES

HUDs current UA guidance outlined in [HUD Notice 2015-04](#) instructs owner/agents to establish a baseline for each bedroom size **once every three years**. For two years after the baseline submission, utility allowances for each bedroom size and each utility type at the property will be adjusted by state-specific increase factor called a Utility Adjustment Factor (UAF). These factors will be published annually by HUD.

NOTE: *RHS/USDA properties must comply with the requirements outlined in HUD Notice 2015-04.*

Baseline Submission Requirements

1. Request utility data from either the utility company or the tenant household for at least the number of units determined by the sample size methodology detailed below. A sample tenant release can be found [here](#).
 - a. This must be done for each bedroom size at the property;
 - b. If the property consists of multiple identical buildings (or building that are substantially similar, then the sampling may be performed at the property level, encompassing all buildings on a site. If buildings are not identical, the sample must be done for each bedroom size/unit type;
 - c. Backup documentation must be submitted;
 - i. Copies of the tenant data received from utility providers, can be submitted in a summary format; or
 - ii. Copies of the printouts indicating a summary of monthly data if the tenant was able to obtain data online from their utility provider for the previous 12 months, or 10 months if the case may be; or
 - iii. If actual monthly utility bills from a tenant were received, the O/A may submit a spreadsheet summarizing the average of the monthly bills. The actual utility bills will not need to be submitted to the CA but will need to be retained in the tenant files for the term of tenancy plus 3 years and will be subject to the CA review;
 - iv. There may be cases where a combination of the above will need to be performed and your CCS will notify you of any additional requirements;
 - d. The data collected must be for the same time period;
 - e. The data used must not be more than eighteen (18) months from the contract anniversary date;
 - f. Samples submitted must be from the units receiving Section 8 assistance;
 - g. A unit should be excluded from the sample if it:
 - i. Is receiving an increased UA as a reasonable accommodation;
 - ii. Has been vacant for 2 or more months (units included in the sample should have at least 10 months of occupancy); or
 - iii. Is receiving a flat rate as part of a low-income rate assistance utility program.
2. Determine the average utility cost for each bedroom size without removing any units from the sample size beyond those excluded as indicated in (g.) above. Do **not** remove the highest and/or lowest utility cost household when determining the average. The monthly cost of consumption is the NET COST *after* the application of discounts. Do **not** include late fees in the monthly cost

of consumption. (The monthly usage amount included in the UA analysis should not be reduced by the California Climate Credit, as those credits are to be counted as income for recertification purposes).

- a. A sample format for utility allowance submissions, which includes built-in formulas to average utility costs for each unit size, can be found [here](#).
3. Provide an explanation for any sample sizes that do not meet the required criteria established in [Notice 2015-04](#). (samples that do not meet the required criteria do not need to be submitted)
4. Recommend the UA amount to the contract administrator for approval.
5. Follow the requirements in 24 CFR 245.405(a) and 245.410 to notify tenants of a utility allowance decrease.

Sample Size Requirements

Number of Units	Minimum Sample
1 – 20	All
21 – 61	20
62 – 71	21
72 – 83	22
84 – 99	23
100 – 120	24
121 – 149	25
150 – 191	26
192 – 259	27
260 – 388	28
389 and above	29

Factor-Based Analysis

For the two years after a baseline utility analysis is completed, the UA amounts for each bedroom size and each utility type can be adjusted by the established Utility Allowance Factor (UAF) in lieu of a baseline utility allowance.

After completely the property's utility analysis under the factor-based utility analysis method, O/As should compare the adjusted utility analysis to their paid utilities over the previous twelve months. If

the results indicate a significant disparity between the two, the O/A should complete a baseline analysis to help ensure the allowance(s) provided are accurate.

When the factor-based method is used to determine UAs, the O/A should submit their recommendation for the UA amount to contract administrator for approval.
